

Prime Double Lots in Fortune Village

Remember that sweet dream of finding just the right spot to build a custom island home in a gentle upscale neighborhood near some of the most beautiful beaches anywhere? Well, you've found it with this pair of ideally-situated canal lots in Fortune Bay on Grand Bahama, where relaxed island living is also convenient to the United States. A little-known gem, only 68 miles from the hustle and bustle of South Florida, Grand Bahama has a system of canals that run through the island, making it a true Venice of The Caribbean and giving you access to deep water dockage and an unspoiled ocean realm where sparkling clear waters are still the norm. Not too crowded, and only a 35 minute flight from Ft. Lauderdale, Grand Bahama Island is a quiet gem where real estate price values will remind you of the...read more on our website.
