

Fantastic Golf Course Front Land

Great Value! Fantastic purchase!

Nestled in a quiet serene location on the active 9 Hole Fortune Hills Golf Course this lot of land is a private oasis with a fantastic view. Beautiful mature banana grove in a distance adds to the tropical feel of the place and a sparkling pond (with your new neighbor, a family of ducks) makes this property practically waterfront! Additionally, West North West facing of the land promises spectacular sunsets. Very close to utilities, just one or two power poles needed to install. Downtown, beaches, shops, schools and airport are all 10 to 15 minutes away. This is truly an excellent purchase at a reasonable price. Great potential for building a lovely home.
