Lots/Acreage in Abaco

High Bank Bay is located 40 miles south of Marsh Harbour and features a spectacular, high-end beach with 2,000 feet of beach frontage along with gently rolling elevations of 40 feet. Road access runs through the 20,000-acre Abaco National Park and is interconnected to the Great Abaco Highway. This property forms part of the narrow band of coastal land in South Abaco that is privately owned and available for development, with much of the balance preserved in the 20,000-acre National Forest or held as Crown land. High Bank Bay is therefore the ideal place for an eco resort or private retreat away from the hustle and bustle of the world with complete peace and serenity. The nearest town is Sandy Point and served by a 4,500 foot air field, as well as regular ferry service to Nassau....read more on our website.
