

Garden Apartment in a Desirable Area

Garden Apartment in a quiet residential area in walking distance to the ocean and hub of activities

This Garden Apartment is part of a beautiful property with a Nature Preserve, Bird Sanctuary and a few minute stroll to a beautiful sandy beach as well as Port Lucaya, hub of activities and shopping.

Apartment is fully airconditioned and has storm proof windows. There are two patio areas and a separate entrance from the main house making it very private. Nicely appointed with a definite sense of sophistication, the interior also echoes nature preserve creating an organic and serene atmosphere of the surroundings....read more on our website.
