Lots/Acreage in Exuma & Exuma Cays

Located 3.5 miles southeastward of Georgetown in Great Exuma, Master's Harbour is a 22.21 acre peninsula on the north shore boasting a total of 4,545 feet of water frontage including the southern boundary lined by mangrove trees. Protected by the islands to the north in one of the largest natural harbours in the Bahamas, Elizabeth Harbour, the property is unique to Great Exuma as it provides safe shelter for boats. Master's Harbour is an ideal development site for a residential community or marina. Situated on Queens Highway, just a short 20 minute drive from the airport, with nearby local restaurants, Brown's marine just next door, as well as other retail and amenities in Georgetown, Master's Harbour is in a convenient location for future development....read more on our website.
