Single Family Home in Exuma & Exuma Cays

This amazing, brand new 8,500 sq.ft. home was meticulously designed and built to enjoy all of the elements the island has to offer, with unobstructed views of the beach and the clear blues of the creek and bayside. The home has a stylish island-inspired design that includes an open plan living room, expansive dining room with seating for twelve, a Michelin chef's kitchen with a breathtaking island all under the cathedral vaulted Cypress ceiling. The home was designed for creating memories, enjoying meals together, entertaining family and friends and relaxing after a day in the sun. With more than 3,500 square feet of hand oiled teak deck surrounding the home, Casa Carisma offers three separate outdoor areas for one to enjoy. An al fresco dining table just off the kitchen that seats up to...read more on our website.
