Single Family Home in Cat Island

Offering privacy, strength, beauty and a view, this unique and one of a kind home is an impressive 3,000 sq. ft. of expansive oceanfront living situated on almost 4 acres of landscaped native vegetation and coconut palms on Cat Island, the most naturally beautiful and hilly island in the Bahamas. The paver stone path from the house leads to a Tiki hut, on 358 linear feet of private ocean frontage with powdery white sandy beach. It is simply perfect for those who love to swim or enjoy snorkeling or (diving) on pristine reefs teeming with sea life. This spacious home offers 3 bedrooms and 2 baths with an additional bonus room which can be converted into a 4th bedroom or office space. The beauty of the unique home is the breathtaking ocean views which can be seen from all rooms. There is a wi...read more on our website.
