

Lots/Acreage in George Town

Lots/Acreage in Exuma & Exuma Cays

Hooper's Bay is located midway between the Exuma International airport and the Georgetown settlement, averaging less than 5 miles in either direction. The beach itself is only about three quarters of a mile with a very limited opportunity to own on this most sought after beach. The beach itself is white powder sand with crystal clear turquoise water as far as the eye can see. The property offers a perfect setting. With nice elevation and a magnificent 200 feet of beachfront the property is the perfect setting to build a dream home and one that will hold its value over the long term. The owners have cleared the building footprint so all that is needed is your architectural drawings. In addition, you'll find grocery stores, pharmacies, liquor shops, and hardware stores only a mere 2-minute drive...read more on our website.
